

Dear Patient,

LONG TERM CONDITIONS – MONTH OF BIRTH: – PATIENTS WITH ASTHMA ANNUAL REVIEW

Please note that this is the only invitation for a Long Term Conditions review that you will receive for this year

About your Annual Check Up. There have been some positive changes to how we are planning to help you manage your long-term condition(s). We call this Care and Support Planning and we want to help you be more involved in the decisions that affect you. You are invited to attend, for a review, in the month of your birth every year; and this is how things will work:

- Receive the invitation in the preceding month of your birth.
- **Call the Practice, in the preceding month of your birth, after 11:00 Monday – Friday** and tell the Clinical Administrator that you have been given invitation **H1**. They will have the information that you need in order to make your appointment.
- You attend your Information Gathering appointment.
- When we receive your results we will contact you if we need you to come back for a review appointment.
- You can request a copy of your results by using our website Subject Access Request Form.

For accessing results

Housebound patients. Please let us know if you are currently housebound so that we can make alternative arrangements for your care and support planning. Our Clinical Administrators have been advised of those patients for whom may require a home visit.

Contact details. Please take the time to check that we have your up-to-date contact details; and let us know if anything has changed.

Additional information. Our Long Term Conditions information, is included on our website and if you have any concerns or questions regarding this please do not hesitate to contact us. We do look forward to seeing you soon, but please remember that it is important that you advise the practice if you are unable to attend any of your appointments; and please feel free to contact any of our Clinical Administrators if you have any further questions.

Yours sincerely
